PADUCAH, KY., FRIDAY EVENING, MARCH 18, 1910.

TEN CENTS PER WEEK

HALF MILLION IS INCREASE WHICH PROPERTY SHOWS

Returns of County Assessor
Are Recapitulated in the
County Clerk's Office.

McCracken People Live Plainly, it Seems.

NO EXTRAVAGANCE IN JEWELRY

Recapitulation of the figures in the county assessor's books was completed today by the force in the county court clerk's office, showing an increase of \$516,327 in the value of property assessed for county taxation. This increase in the valuation was made by the board of supervisors which was in session during January. The total amount of which taxes will be collected is \$12,097,778 while \$11,581,451 was the valuation for 1909.

The securing of the recapitulation of the assessor's books is not an easy task, as there are so many items, and the lines are so confusing that mistakes are made easily. Before the recapitulation can be sent to the state auditor it must balance. The assessor's books are turned over to the sheriff for him to make out his tax bills and the collection of taxes will begin early in the summer.

The Increases.

The valuation of city property is fixed at \$7,259,350, an increase of \$122,410 over last year's figures. The value of the real estate in the county is \$2,672,142, the valuation having increased \$70,667. The valuation of bonds is \$21,650. The amount of cash in the banks is \$35,102 while the amount of cash scattered over the county is \$75,062. Personal property is valued at \$1,846,922, an increase of \$26,709. The exemptions amount to \$210,250.

Some of the valuations are humorous and they emphasize how many people fail to give in a correct estimated value of their possessions. For instance, the recapitulation shows there are only 92 diamonds in McCracken county and they are valued at \$9,450. Other items are ridiculous, as the valuation of silverware is fixed at \$620, while the total value of all the jewelry in the entire county is worth only \$460. According to the figures, the citizens of McCracken county are ready to apply for entrance to the poor house. Watches and clocks are valued at \$416.

Nobody in the county receives any patent rights, while the great sum of \$40 is subject to taxation on account of receiving a royalty. One patenting valued at \$40 will give the county a few cents revenue.

The recapitulation was in charge of Herman A. Katterjohn, deputy county court clerk, who with his assistants has been busy for nearly three weeks on the books. Mr. Katterjohn is an expert accountant and the recapitulation is one of the neatest ever turned out. The work was completed today at noon.

MRS. ROSA TAYLOR

SHE DIES FROM COMPLICATION OF DISEASES.

Mrs. Rosa Keifel Taylor, 46 years old, wife of H. W. Taylor, died at 3 o'clock this morning at her home, 403 South Seventh street, after a two weeks' illness of complications of diseases. Mrs. Taylor was born in Cincinnati, where she was married to Mr. Taylor. Five years ago they came to Paducah. Mrs. Taylor was a member of the St. Francis de Sales Catholic church of this city and a well known woman.

She is survived by her husband, H. W. Taylor, who is now in the asylum for the insane at Hopkinsville. She also leaves four sisters and one brother as follows: Mrs. George Meyers, Mrs. Sophia Kohlhepp and Mrs. Lula Witt, of Cincinnati; Mrs. Katherine Witt, of Whit, Ind., and Mr. Frank Keifel, of Cincinnati. The body will be sent to Cincinnati at 1:30 o'clock tomorrow morning. The funeral and burial will be conducted Monday. The body will be accompanied from here by her sister, Mrs. Meyers, and her nephew, Blaine Keifel.

Mrs. Lucie Oliver Buried.

Mrs. Lucie Oliver, the mother-in-law of Thomas McGregor, assistant attorney general, was buried yesterday at her old home in Benton. Mrs. Oliver died Tuesday in Frankfort, where she resided with Mr. McGregor. She was a woman widely known in Marshall county.

Child Poisons Her Foster Mother, Because She Was Whipped--Puts Strychnine in Quinine Capsules

Twelve-Year-Old Bertha Tyner, of Livingston County Confesses and is Sent to School of Reform.

Smithland, Ky., March 18. (Special) —Because her foster mother, Mrs. Jane Tyner, of Pineknob, Livingston county, had whipped her, Bertha Tyner, 12 years old, emptied quinine out of capsules which Mrs. Tyner was taking for malaria, and substituted strychnine. Mrs. Tyner took one before going to bed and soon became so ill that she sent the girl to the home of her nearest neighbor, Dr. Wolfe, a dentist. She was in convulsions by the time the Wolfe arrived and they sent for Dr. Radcliffe, of Tilie, across the Cumberland river, and Dr. Hayden, of Salem. It was 10 o'clock next morning before the doctors pronounced the woman out of danger from the poison and another 24 hours elapsed before they said she would recover from the reaction.

The child's repeated inquiries whether they thought she had poisoned her mother and her insistence that she had given her mother only quinine, aroused suspicion, and when an unbroken bottle of strychnine was found and shown her, Bertha confessed that she had put strychnine in the capsules; but she refused to state why. When Mrs. Tyner had recovered sufficiently to be told, she said that Bertha had been sulking ever since a whipping of the day before. The child was taken to Smithland and placed in jail, and was sent to the school of reform yesterday. She was taken from the Kentucky Orphan's Home at Louisville two years ago by Mrs. Tyner and adopted.

Roosevelt Crosses Desert

Abuhmed, Soudan, March 18.—After a night's ride over the desert the special train of Roosevelt arrived today. The ex-president spent this morning writing letters. Hundreds gathered at the station at Kharun to see him off last night. All the government and municipal officials, English and native, paid their final respects.

R. R. AMENDMENT LOST

Mann Measure Supported By All Democrats Save One.

Washington, March 18.—By a record vote an amendment proposed by Chairman Mann to the administration railroad bill designed to meet some of the objections to the conditions arising from the long and short haul practices of railroads in connection with water competition, was defeated by the house committee on interstate commerce today. All but one Democrat voted with Mr. Mann for the amendment.

In the party were: Councilmen T. L. Stovali, W. E. Norman, Wood Gordon, E. G. Fristoe, and Messrs. W. L. Landrum, Dr. H. H. Hunt, W. A. Usher, Frank McClain, W. N. Jeffry, Frank Chess and Clay Lemon, of the Mayfield Messenger. The automobile of Mr. Stovali collided with a fence near Lone Oak and was damaged so that it could not be run into the city.

Several officials and citizens of Mayfield were in the city this afternoon inspecting the gravel streets and improved streets. The representatives of Mayfield have been impressed with the good condition of Paducah's streets, and made the trip to ascertain the most economical method of keeping gravel streets in repair. Mayfield is contemplating some improvements to her streets, and wanted to see first the best streets in the state. The party made the trip to Paducah overland in two automobiles.

To Invite Capital.

Another vital matter that needs immediate attention is to offer inducements for foreign capital, as well as to protect home investments. This, according to Mr. Campbell, is a very important factor in a state's growth and welfare and how to get about this plan will be thrashed out as soon as possible.

How to get members of the league to show an active interest was also well discussed. Mr. Campbell said probably the most enthusiastic and spirited member is Mayor W. O. Head of Louisville, who has promised to do all in his power to make the league a success and already has done much for its interest. Mr. Campbell a week ago sent applications to blank form over the state and said the membership is steadily growing. He said the league anticipates a full membership from the 150 cities of the state and untold benefits will be derived from the work of the league. He said its purpose is to look after the interest and welfare of municipalities of the state; to promote beneficial legislation; to devise ways and means for wise and economical administration; and to advance the interest of the cities of the municipalities of Kentucky. Politics will be eliminated altogether from its operations. No compensation is paid the officers of the league, and nominal membership fees are charged just enough to care for the necessary running expenses of the organization.

Mr. Campbell received a letter from a citizen of Covington this morning highly commanding the purposes of the league. This was a source of inspiration to him and he is trying to arouse like interest in all citizens of the state who are not members of the league.

Program Committee.

On the program committee with Mr. Campbell were placed Mayor Head of Louisville, and Mayor James H. Polsgrove, president of the league, of Frankfort. The committee will arrange to secure speakers of national reputation for the annual meeting to discuss matters of interest to municipalities. The committee will also assign different members of the league to discuss certain topics of interest. These topics are to be determined upon by the committee and it will require several weeks of hard work to arrange this. The committee will meet in a few weeks at Louisville.

Present at the meeting yesterday were: Mayor Head, of Louisville; Major S. Lambert, of Owensboro;

MANY RUMORS ARE HEARD OF STRIKE

ONE IS THAT MEDIATORS HAVE STRUCK INSURMOUNTABLE OBSTACLE.

Chicago, March 18.—There is a rumor that Knapp and Neill struck an insurmountable obstacle to a settlement of the strike. Another report is that the railroads offered two and a half per cent increase in wages and the offer was refused by the men. Neither side has receded from its stand taken on the seniority rule.

Knapp and Neill are still holding a conference with the railroad managers and firemen. Railroads refuse to recede from the stand taken in refusing firemen representation on the grievance committee.

DENY JAPANESE AGREEMENT.

Washington, March 18.—The Japanese ambassador today denied that he had any knowledge of the existence of any note such as referred to in some of the newspaper publications today regarding an agreement between America and Japan to exercise a predominating influence over Chinese Manchuria.

State department officials professed to know nothing of such an agreement.

Central Bureau Would Help Cities in Co-operation

CONTENDING FORCES IN CONGRESS REST ON THEIR ARMS WITH ALLIES IN POSSESSION OF FIELD OF BATTLE

LEAGUE OF MUNICIPALITIES PLANS TO ATTRACT CAPITAL AND IMPROVE LAWS

City Solicitor Campbell Interested in the Work.

WILL START WITH BANQUET.

The establishment of a bureau through which all cities of the state may come and work together to the same end and a plan to invite the investment of foreign capital to Kentucky, were two important questions vigorously discussed yesterday by the executive committee of the Municipal League of Kentucky, at Louisville. City Solicitor James P. Campbell, Jr., of Paducah, who is secretary of the league, returned home early this morning highly enthusiastic over the prospects for a successful future for the league. His return found him chairman of a program committee, which was appointed to arrange for the annual meeting. The date for the meeting was fixed at July 5 and 6 at Louisville, and an elaborate banquet given by the league at the Seelbach hotel will close the "get together" meeting.

The solicitor is devoting all of his spare time to its work.

Several matters came before the committee yesterday, but only two were of general significance at present. The committee discussed plans for a bureau to be operated under the auspices of the municipal league and to act as a medium through which all cities and towns in Kentucky may be brought together more closely, to co-operate in every line of thought and movement and keep in touch with the management of city affairs. It is also the intention of the committee for the bureau to handle the legislative branch of the cities and have charge of all recommendations and bills to go before the general assembly. It will take some little time to effect the organization of this bureau, to which an expense is necessarily attached. In order that the committeemen may have time to devote to it and all cities may give expressions, it was held open until the annual meeting, which will be held in July.

President is Interested.

Cleveland, March 18.—President Taft on his way to New York state devours accounts of the Washington fight. He is expected to give an idea of the stand he takes today in his speeches. He received the first detailed account here. He will make five speeches today.

Story of the Fight.

Washington, March 18.—War in the house was still on after an 18-hour session this morning, with no sign of an end to hostilities. Every move of the regulars is blocked by the insurgents. Cloak rooms are turned into sleeping apartments. Steps are made to arrest congressmen, who slipped away from the session. Nicholas Longworth was the first member arrested. Warrants are out for 200. Cannon is censured for giving warrants to Sergeant-at-Arms Casson, a Republican, when ordered to give them to Sinnott, a Democratic assistant. He is charged with using his power to conduct a personal filibuster in an attempt to escape defeat at the hands of the house. A quorum was present of 720 and insurgents claim a majority of seven even with the full strength of the regulars present.

Without a note of warning that so radical a proposition would be brought up, with the apparent support of a majority of the membership of the house, Representative Norris, of Nebraska, obtained the floor and offered a resolution for a change in the rules of the house.

For several months the "insurgents" had been looking forward to this culmination of their efforts to undermine or destroy the power of the speaker, but there had been little or no thought of any possibility that the battle for ascendancy would be fought so soon.

Mr. Norris insisted that the language of the constitution gave his resolution the same privilege that Speaker Cannon had claimed for a

PENSION BILL IS VETOED WITH TWO APPROPRIATIONS

GOVERNOR WILLSON SAYS PRISON COMMISSIONERS CONTROLLED LEGISLATURE.

Knocks Out Experiment Stations.

ONE SENATOR EATON SECURED.

Frankfort, Ky., March 18. (Special) —The governor vetoed the Confederate pension bill and the bill increasing the salaries of the prison commissioners. In vetoing the latter, he said the prison commissioners controlled the legislature.

He also vetoed the bill for two sub-experiment stations.

The experiment stations were engineered through Senator Eaton, of McCracken, who expected to secure one near Paducah. They were vetoed by the governor; because like many other appropriations made by this legislature they had no visible means of support.

Appellate Court Adjourns.

The appellate court adjourned today for the April term.

The governor will veto the bank examiners' measure.

Duel in the Road.

Lancaster, Ky., March 18.—Creedmore Turner was killed and Luther Ray dangerously wounded in a duel on the public road in this county.

Beginning of Fight.

By a vote of 147 to 132 the insurgent Republicans and Democrats at 7 o'clock last night defeated the motion of Representative Tawney, of Minnesota, to adjourn. The fight on the motion to oust Speaker Cannon from the committee on rules then was resumed.

The regular Republicans just before 8 o'clock began a filibuster. Roberts, of Massachusetts, made a point of no quorum, and Crumpacker, of Indiana, demanded the house at 10 a.m. expecting to resume active hostilities before noon. Cannon was there holding the rostrum ready at any moment to check any unexpected movement of the allied Democrats and insurgents. He was looking pale, but determined. Representatives Oldmstead, of Pennsylvania, and Dwight, of New York, were hovering near the speaker's chair to support him in any crisis that might arise.

Bronchitis at 78

Mr. J. M. Ellett Says Duffy's Pure Malt Whiskey Has Prolonged His Life Five Years. It Relieved and Strengthened Him When Nothing Else Did Him Any Good.

"I have been taking Duffy's Pure Malt Whiskey for six or seven years for Bronchitis, which I had for about twelve years. Before this I tried doctors and everything else, but nothing did me any good. Duffy's Pure Malt Whiskey was recommended to me, as it would benefit me and would build up my whole body and system. I commenced taking it and found that it did me more good than all the medicines I had taken in the past.

"I think Duffy's Pure Malt Whiskey the best thing that a man can take to build himself up and prolong his life, as I am in my seventieth year and had I not taken Duffy's Pure Malt Whiskey six or seven years ago I believe I should have been in the ground five years ago. I find it is the most invigorating medicine I can take, and I want the people of the world to know what it is doing for me." —J. M. Ellett, 608 23rd Street, Richmond, Va.

Ministers of the gospel, doctors of medicine, nurses and people everywhere unite in commanding Duffy's Pure Malt Whiskey—the only perfect tonic stimulant, the one true medicinal whiskey.

Duffy's Pure Malt Whiskey

is an absolutely pure, gentle and invigorating stimulant and tonic. It overcomes all weakening, wasting and run-down conditions of the body, brain and muscle, giving the system power to throw off and resist coughs, colds, grippe, catarrh, bronchitis, asthma and lung troubles, and it is a wonderful remedy in the prevention and cure of consumption, pneumonia, malaria and low fevers, if taken as directed. It is prescribed by doctors and recognized as a family medicine everywhere.

If in need of advice write Medical Department, The Duffy Malt Whiskey Company, Rochester, New York, stating your case fully. Our doctor will send you advice free together with a valuable illustrated pamphlet containing rare common house rules for health, which you cannot afford to be without, and some of the many thousands gratifying cases illustrating the great worth in all walks of life, both old and young, who have been cured and benefited by the use of this great medicine and who continue to enjoy good health. Sold by druggists, grocers and dealers, or direct, \$1.00 a large bottle.

Free Sample Helps Weak Women

So many of the ills of women are due to constipation that too much warning cannot be given them to keep the bowels well open. They have a modesty and timidity about this that is really dangerous to their health. It is a function that is as necessary as air and food and should not be avoided. But it is important to know the remedy suited to woman's needs. Camphor pills and tablets are very powerful and salts and purgative waters are both powerful and nauseating. What is wanted is something milder and better tasting. It will be at the same time more effective. Dr. Caldwell's Syrup Popsins fills these requirements and is being taken by thousands of intelligent American women. They not only taste delicious, but are also effective in their own case. They keep it in the house for other members of the family, for we are all called upon at some time or other to use such a laxative.

It is a safe and reliable laxative tonic and can be conveniently obtained of any druggist at fifty cents and one dollar a bottle. Before you call on your doctor invite you to make a test of it at his expense, and when you are satisfied it is what you want you can buy it in the regular way just as though you were doing so. If we will send your name and address to Dr. Caldwell, he will send you a sample bottle free of charge.

Thousands of people owe the present good health of their families to applying for a free sample bottle, for in this way they learned of an effective and inexpensive cure for constipation. Indigestion, heart trouble, sick headache, sour stomach and troubles of that kind that come from a disordered stomach. Here are bowls. The family of Harry T. Read, 1220 Madison street, Chicago, are among the regions who highly praise this grand laxative and are glad to publicly say as Dr. Caldwell personally will be pleased to tell you, "We are very much pleased to have you as our customer, you may derive for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Exploit this offer in a letter and we will supply you in detail the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R. 507 Caldwells building, Monocello, Ill."

DR. EDWARDS' OLIVE TABLETS WILL MAKE YOU FEEL FINE.

Do you feel out of sorts?—Is your tongue coated, and your breath bad; do you feel nervous and chilly, like you have malaria? If you do your liver is out of order, your bowels and kidneys are not relieving the system of its poison. What you need is an effective laxative. One that will do the work of calomel, but leave none of calomel's bad after effects. Take Dr. Edwards' Olive Tablets—one laxative tablet that does not contain calomel, yet does calomel's work. These little olive-oil and vegetable tablets are perfectly harmless and pleasant to take. They increase and thin the bile, overcome constipation and rid the system of its poison. Should you eat too much at a banquet or a late night meal, which always makes you feel stuffy and dull, just try one or two Olive Tablets before you retire and see how fine you feel next morning. They will do the work if you only let them. At all druggists in neat 10c and 25c packages. The Olive Tablet Co., Portsmouth, O.

Spring and Easter at Our Door

In the Easter Parade Our Clothes Will Be Most Prominent of All--for We Sell America's Leading Makes

THIS is not an idle claim. We have the largest and best equipped store in Western Kentucky and sell more clothing than any other establishment. Our popularity is based on merit, as we handle merchandise from only the best makers. The whole store is fairly abloom with the enlivening weaves and colorings that typify the season's great feast, Easter. The various styles of clothing are shown in almost endless number of beautiful patterns and classy models.

Roxboro and H. S.
& M. Easter Suits = \$20 to \$35

Easter Suits of other
good makes = = = \$10 to \$18

THE Neckwear, hats, Shirts, Etc., are the season's choicest effects and you cannot but admire them. To see them is to join the ranks of the many thousands of satisfied customers who depend entirely upon this store for their wants. Try it?

Our "Proposition of Comparison"

THE PLAN we call our "Proposition of Comparison" is very simple. You come into our store, pick out as many suits and other things as you like, and tell us to send them to your home. You have other stores do likewise. Then, in the quiet of your own home, away from the influence of salesmen or triplicate mirrors, you and your family select the clothes you like best. You make a temporary store of your home. It's a great thing. Friends to whom we mentioned it tell us it's ingenious. But it isn't. It is simply a case of confidence in our clothes. It brings home to you the force of our assertion that we are selling far and away the finest clothes in town at no greater cost than the average sort. Try it out.

Boys' Easter Suits

AS usual we lead in variety of styles, fabrics, fit and finish and lower prices. All the new cuts in boys' spring suits.

For lads who wear Knickers we have the classiest Knicker Suits ever made, "the kind that makes your friends sit up and take notice." May we send an assortment to your home on approval?

Daily Thought.
"Nobody ever gets ready and then has no call. God hasn't any men to waste."

Put a little something in the envelope right now, while you have it.

There will be a grand spring opening in the woods in the next few days if this weather keeps up. Nature is donning her Easter finery.

Colonel Roosevelt saw a native dance last night—but then he hasn't seen the poetry of motion, which has been introduced in America since he left.

Handsome men would do well to let their whiskers bloom, else perhaps they may be stopped on Broadway most any day and identified as burglars.

The speaker of the lower house, Mr. Wilson, who is mentioned for the Democratic nomination for governor, has only one "L" in his name; but we have observed of these politicians that if you give them an inch they will take an "L".

We don't care whether you call it Christian charity, the spirit of humanity or "intelligent self-interest"; such investments as the Home of the Friends and the anti-tuberculosis association, are for the good of all of us, including the giver.

James J. Hill and President Taft both touched on conservation yesterday. Conserve capital and wealth and leave the railroads alone, advised Hill. The railroads will not be bothered so long as they keep within the law, commented President Taft, but they must be taught to keep within the law.

The Benton Tribune-Democrat quotes:

"The legislature has raised salaries of the prison commissioners from \$2,000 to \$3,000 a year. This is placing another burden on the taxpayers, but still, if Eli Brown and Harvey McCutchen, who get the benefit of the act, manage their offices one-tenth as well as they have managed the present legislature, their services would be cheap at \$10,000 a year."

Barney Oldfield clipped off the course at Daytona in something like 120 miles an hour. That is flying; but there are times when one wishes to wrap the lines around the whip; there are moments when the chirp of a bird sounds sweeter than the chug of an engine, and the odor from a freshly mown clover field at the side of the road shows some class as compared with the stench from a gasoline tank. Grass and flowers and trees, too, are pretty when one has the time to observe them in passing. And then a man can get on something like affectionate social terms with old Dobbin; who never requires cranking.

\$100, put that in; if a dollar, put that in; if five cents or a penny, put it in. It is the average, which will count. If everybody gives something—as much as he can and fills the balance with good wishes—the Home of the Friends will be immensely improved, and the community to that extent benefitted.

STABBED IN THE HOUSE OF ITS FRIENDS.

Ollie James, astute politician, and jealous of the name of his state, sounded the depth of concern he felt over the temporary defeat of the constitutional income tax amendment in the Kentucky senate, when he delivered a strong speech in the congress yesterday, attempting to fasten the responsibility on Governor Wilson. Mr. James declared that the governor has nothing to do with the constitutional amendment and that it remains only for the secretary of state to forward the enrolled resolution of the legislature to Washington. That probably is true; but if the resolution adopted by the Kentucky legislature is to forward the enrolled resolution of his chagrin that it is an impotent bit of paper, containing no reference to incomes, and void as far as ratifying the proposed amendment to the federal constitution is concerned. It was a bold speech he made, but he missed the essential. Governor Wilson sent the resolution back to the legislature, because it omitted the word "income", and the senate failed to correct the error.

If the governor's sanction was not necessary to the amendment's validity, his veto does not invalidate it; but if the resolution as passed is inherently defective, it is void whether the governor sanctions it or not. The only thing Governor Wilson can be accused of doing, is to call the attention of the legislature to a fatal omission, whether intentional or not, and he did it in ample time for the legislature to correct the fault.

Mr. James failed to throw the responsibility on the governor; but his speech did serve to call to the attention of the country to how Kentucky's legislature failed to carry out the wishes of the people, expressed in convention and through the press, and indicated the method, which is being used to defeat the ratification of the amendment by three-fourths of the states.

The "malefactors of great wealth" in the east are not fighting in the open against the amendment; they are staying out of their own legislatures. But down here in the south, where public sentiment is practically unanimous for the amendment, legislators are pledged to its enactment and party platforms pronounce in favor of it, we take it for granted that the legislatures will adopt the resolution, and no one is on guard. When a legislature, like the one which just adjourned at Frankfort, sets itself up with absurd two-thirds rules, which makes the membership but puppets in the hands of a rules committee, the bribery of a few is sufficient to prevent the passage of any kind of measure.

The speaker," reported Mr. Cannon, who until now had watched the proceedings in grim silence, "would be prepared to rule on the question whenever any gentleman thinks that the minority has become the majority. But that presents an entirely different question from the one now before us."

Mr. Clark, opposing any suggestion that the resolution be referred to the committee on rules, declared that that committee consisting of three Republicans, including the speaker, and two Democrats, could not be trusted with a measure curtailing its own powers. The Republican majority of one on that committee was as great as their majority in the house, "and," he added amid laughter, "more reliable."

Clark Sounds Tocsin.

"If you want to change the rules," shouted Mr. Clark, looking over the house, "now is the accepted time."

When the applause had subsided,

Majority Leader Payne made a strong and feeling plea for "regularity."

"We can not have the responsibility of the majority in this house," said Mr. Payne, "unless we can exercise it under the rules of the house. The men on that side," he continued, waving his hand toward the Democrats, "come today to break down the rules."

"You see the Greeks over there bearing gifts and starting a revolution at the same time in an attempt to organize the house committee. We are ready to hold up the hands of that brave fighter at the other end of the avenue," said Mr. Payne, referring to President Taft, "with his clear vision and his great interest in the public welfare, and with his great heart beating in sympathy with the American people. Now at this critical time, with an election coming off and with the best interests of the people at stake, you who have fought for the Republican party—have a care that you do not aid and abet the enemies of the Republican party."

Republicans Harangued.

The closest attention was given to the words of the Republican leader. An outburst of applause on the Republican side had hardly died out before Mr. Polk Dexter, of Washington, one of the long-time insurgents, obtained the floor.

"Upon a question when a crisis arises," said Mr. Polk Dexter, "what is the practice in this house so far as the parliamentary procedure is concerned? A special order is brought out setting aside the rules, which have been extolled by the gentleman from New York."

Mr. Tawney, interrupting, asked the member from Washington whether the committee, which it was proposed to create, would not be as arbitrary as any other committee. He asked Mr. Polk Dexter whether the two members of the committee on rules had not been selected by a Republican caucus.

Alton Tinsley, of Marion, died of heart disease.

Fine son born to Mrs. Dee Williams, of Bardwell.

Virgil Slaughter, of Tyrone, dies from accidental shot.

Thomas C. VanCleave to open hardware store at Cadiz.

Mrs. Elizabeth Bach, run over and killed by street car at Louisville.

Howard Slaughter, Confederate veteran, dies at Trigg county poor farm.

resolution relating to the taking of the census.

Republican Whips Busy.

He asked that his resolution be placed before the house at once. On both the Republican and Democratic sides nearly every member was in his place, and all realized that at last the "insurgents" were looking horns with the regular Republicans for what might prove a death struggle. On both sides of the house the "whips," realizing the necessity of obtaining their full voting strength, put in motion all their resources for the summoning of absent members. Telegrams were sent to those who were absent on leave and had left the city. Taxicabs were ordered to make quick trips to the hotels and residences of the few members known to be in Washington who were not on hand.

The news of the impending struggle soon spread about the city and the galleries, that had been but half filled, became crowded.

Mr. Norris, whose seat is on the Democratic side, appealed to the speaker for a ruling in favor of the immediate consideration of his resolution. He insisted that the time had come for action by the house, so that it might take into its own hands matters affecting legislation.

The attitude of the Democrats toward the movement so suddenly put under way was made evident by the prompt endorsement of Mr. Norris' contentions by Mr. Underwood, of Alabama, and by Minority Leader Clark, of Mis-

Cannon's Hot Retort.

Mr. Underwood insisted that the language of the constitution made the Nebraskan's resolution a matter of the highest privilege. Minority Leader Clark reminded the speaker he had once said that the house could do anything it pleased, even to the selection of a new speaker.

"The speaker has said that an elephant could be put through the house if the house so desired," shouted Mr. Clark.

"The speaker," reported Mr. Cannon, who until now had watched the proceedings in grim silence, "would be prepared to rule on the question whenever any gentleman thinks that the minority has become the majority. But that presents an entirely different question from the one now before us."

MILLIONS OF LIVES LOST.

An Awful Toll Collected By Consumption—Many Unnecessary Deaths From This Disease.

If people could only understand that systematic catarrh is an internal disease that external applications can not cure, they would not need to be warned so often about this malady, which, when neglected, paves the way oftentimes for consumption, at the cost of millions of lives every year. Yet catarrh may be cured, if the right treatment is employed.

Catarrh is caused by a general diseased state of the system which leads commonly to annoying and perhaps serious local conditions, which may prove a fertile breeding ground for germs of consumption. External remedies give but temporary ease.

The only way to successfully treat catarrh is by employing a medicine which is absorbed and carried by the blood to all parts of the system, so that the mucous membrane or internal lining of the body is toned up and made capable of resisting the infection of consumption and other diseases.

We have a remedy prepared from the prescription of a physician who for thirty years studied and made catarrh a specialty, and whose record was a patient restored to health in every case where his treatment was followed as prescribed. That remedy is Rexall Mucu-Tone. We are so positive that it will completely overcome catarrh in all its various forms, whether acute or chronic, that we promise to return every penny paid us for the medicine in every case where it fails or for any reason does not satisfy the user.

We want you to try Rexall Mucu-Tone on our recommendation and guarantee. We are right here where you live, and you do not contract any obligation or risk when you try Rexall Mucu-Tone on our guarantee.

Rexall Mucu-Tone is now the popular mate on the Dick Fowler.

IN SOCIAL CIRCLES

Memphis Wedding of Interest Here.
The Memphis Commercial-Appeal makes notable mention of the marriage of a former Paducah girl who is prominently related here, as follows:

"Mr. and Mrs. Charles Austin Tindall announce the marriage of their daughter, Ryall Thomas, to Gilbert Watson Palmer, Monday, March 14, 1910, Memphis, Tenn. The wedding was very quietly celebrated yesterday afternoon in the attractive apartment of the bride's parents in Marchel court, Adams avenue. The hall and parlor were hung with southern smilax, with palms and ferns banking the walls, while about the rooms were tall cut glass vases holding Bride roses, white carnations and Easter lilies. The bride and groom stood under a canopy of southern smilax and bride roses during the ceremony, which took place at 4 o'clock. Rev. W. H. Shaffer officiating. The pretty bride wore a very handsome braided tailored suit of tan satin pongee, with a spring hat and accessories in harmony. Her bouquet was of valley lilies and white sweet peas. The only attendant was Miss Lou Lawrence Corbett, of Chicago, who was maid of honor. She wore a white tailored suit with a picture hat. Her flowers were pink sweet peas. Prof. Boutelle presided at the piano, rendering a beautiful program of wedding music. Only relatives were privileged to witness the ceremony, following which a dainty wedding menu was served in the dining room, which was prettily decorated in white and green. In the center of the table stood the punch bowl, rising from a mound of bride roses and ferns. About the room were clusters of white carnations and ferns. The green and white wedding motif was carried out in the menu. The individual cakes bore the final initial of the bride and groom, T-P in green, and the fees were in the form of roses. Mr. and Mrs. Palmer left at 5 o'clock to spend their honeymoon on the gulf coast. The bride is one of the prettiest and most attractive members of the younger set, who during the winter has shared in many of the social favors enjoyed by the debutante set. She is a member of a prominent Kentucky family, but has for several years made her home in this city, where she is popular in a wide circle of friends. The groom, formerly of New York, is the manager in this city for a New York firm, and since coming here has made hundreds of friends. After April 1 Mr. Palmer and his bride will be at home at 1548 Union avenue."

"Mrs. E. W. Edgar was hostess at a delightful bridge party on Friday morning in honor of Misses May Owen and Corinne Winstead of Kentucky. The two prizes were won by Miss Owen's pair of white kid gloves and Miss Annie Pringle, a pair of silk hose. After the game, delicious refreshments were served. Those enjoying Mrs. Edgar's hospitality were, Mrs. J. S. Montgomery, Jr., Mrs. M. M. Cooper, Mrs. W. A. Brittain, Mrs. Chilton Huston, Mrs. G. W. Ferrill, Mrs. Frank Berry, Mr. Chilton Huston, Misses May Owen, Corinne Winstead, Emma McIntosh, Cornelia Smith, Annie Pringle, Caroline Atkinson, Catherine Atkinson, Margaret Huston, Mary Jerger, Miriam Morehouse, and Mary Phillips.

"Mr. Ernest Ayer was host Wednesday evening last to a few friends at the Elks club with a very delightful bird supper in honor of Miss Caroline Atkinson, of Brunswick, the guest of Miss Nellie Pringle, and Misses May Owen and Corinne Winstead, of Paducah, Ky., who are visiting Mrs. John Montgomery.

The party, after attending the theater, repaired to the club where dancing was enjoyed until eleven o'clock.

At that time a most delicious supper was served in the buffet of the club, covers being laid for sixteen. The open meeting was under the auspices of the Music department of the club and featured "An Afternoon with the Children" in a most delightful way. Miss Newell, chairman of the department, presided, and introduced the program with a charming little story of a "Wonder-Child in Music-Land," delightfully told. Attractive piano numbers were given by Vivian Cosby, Mary Terry Burnett, Edith Sherrill, Elvyn Berry, Ruth Hinkle and Marie Berry. Some pleasing vocal numbers were by Edith Sherrill, Elizabeth Hills, Vivian Rubel, Elizabeth Rhodes, Marie Berry, Mary Smith, Vivian Owen, Anna Breachett Owen, May D. Guedry. A pretty feature was the two readings by little Miss Virginia Hart with piano accompaniment by Mrs. Hart. The closing number was a charming nursery medley "A Child's Good-Night," sung by a number of quite small children.

Surprise Party.

A delightful surprise party was tendered Miss Gladys Pitman at her home, 218 Clark street, Thursday evening by a number of her friends.

Cards were the feature of the evening. Delightful piano selections were rendered by Misses Nona Cothran, Mayme Heath and Gladys Pitman. At 11 o'clock light refreshments were served. Among those present were: Miss Nona Cothran, Mr. Liones Mills, Miss Nancy Melton, Mr. Clarence Redwine, Miss Hester Thompson, Mr. Simmons, Miss Mayme Heath, Mr. Clarence McFadden, Miss Pearl Cothran, Mr. Jess Fort, Miss Alma Mayhew, Mr. Perry Garvey, Miss Gladys Pitman, Mr. Ellis Orr, Mr. Thomas P. TERRIBLE TRAIN OF SYMPTOMS

Followed in the Wake of the Troubles Which Overtook Mrs. Fourrier, of Lake Charles.

Lake Charles, La.—"I was so sick, as a result of womanly trouble, that I thought I would die," writes Mrs. E. Fourrier, of 516 Kirby street, this city.

"I used to suffer every month, and no doctor could relieve me.

"The month before I took the Cardui, I could hardly walk, and could not wear my corset.

"I had backache, headache, pain in my legs, chills, fainting spells, sick stomach, dragging feelings, and no patience or courage.

"Since taking Cardui, I feel like a different woman. I have no more pain, can walk as far as I want and feel good all the time.

"I advise all sick ladies to try Cardui, the woman's tonic."

You can buy many medicines and tonics, for men's and women's ills, but only in Cardui can you get the benefit of the combination of herb medicines, peculiar to Cardui alone.

The principal herb ingredients having been found of remarkable efficacy for women's ills, are now grown abroad, especially for us, and used by us exclusively, in the preparation of Cardui, which every drugist sells. Try Cardui.

Miss Imogene Bell entertained informally last evening at her home, 529 Washington street, in honor of a few friends. The evening was spent with music and games and a pleasant evening enjoyed.

Woman's Club Honors St. Patrick's Day.

The Woman's club met in regular session yesterday afternoon at the club's building. It was an especially interesting afternoon.

At the business meeting, in addition to the usual routine matters, the year-book committee for the ensuing year was appointed as follows: Mrs. A. R. Meyers, chairman; Mrs. Robert Becker Phillips, Mrs. John W. Kiger.

The report of the Philanthropic department for the month was given by Mrs. Charles Kiger, the chairman, and was a splendid showing of the good work done. Mrs. R. H. Lindsey was elected to membership in the club. In the absence of Mrs. James A. Rudy, the president, from illness, Mrs. Robert Becker Phillips, first vice-president-elect, was in the chair.

The informal tea served between the business session and the open meeting was a prettily planned compliment to St. Patrick. The tea table in the library was attractively appointed in green. Green carnations was the effective center arrangement of the table and crystal compotes of green mint leaves emphasized the color-note. Mrs. Frank Fisher and Mr. B. L. Bradley presided at the tea table. An especially happy feature of this hour was a vocal number by Mrs. Stodard Robertson, a recent bride. Mrs. Robertson sang with charming impression "The Songs My Mother Used to Sing," a medley and Misses May Owen and Corinne Winstead, of Paducah, Ky., who are visiting Mrs. John Montgomery.

The party, after attending the theater, repaired to the club where dancing was enjoyed until eleven o'clock.

At that time a most delicious supper was served in the buffet of the club, covers being laid for sixteen. The open meeting was under the auspices of the Music department of the club and featured "An Afternoon with the Children" in a most delightful way. Miss Newell, chairman of the department, presided, and introduced the program with a charming little story of a "Wonder-Child in Music-Land," delightfully told. Attractive piano numbers were given by Vivian Cosby, Mary Terry Burnett, Edith Sherrill, Elvyn Berry, Ruth Hinkle and Marie Berry. Some pleasing vocal numbers were by Edith Sherrill, Elizabeth Hills, Vivian Rubel, Elizabeth Rhodes, Marie Berry, Mary Smith, Vivian Owen, Anna Breachett Owen, May D. Guedry. A pretty feature was the two readings by little Miss Virginia Hart with piano accompaniment by Mrs. Hart. The closing number was a charming nursery medley "A Child's Good-Night," sung by a number of quite small children.

Large Audience Hears Lecture.

A large audience attended the lecture of the Rev. E. B. Ramsey on "The Right Kind of Man to Marry" at the Fountain Avenue Methodist church last night. Tonight he will deliver his lecture on "The Right Kind of a Woman to Marry." Dr. Ramsey was pastor of the Broadway Methodist church for four years and has many friends in the city to greet him.

MOTHER'S FRIEND

A LINIMENT FOR EXTERNAL USE.

Cheerfulness and a bright disposition during the months before baby comes, are among the greatest blessings a mother can bestow upon the little life about to begin. Her happiness and physical comfort will largely govern the proper development of the health and nature of the child. Mother's Friend contributes much to the mother's happiness and health by the relief and mental comfort it affords. It is a liniment composed of penetrating oils and medicines which lubricate the muscles and tendons of the body, soothe the swollen mammary glands, cause a gradual expansion of the skin and tissues, and aid in the relief of nausea. The regular use of Mother's Friend greatly lessens the pain and danger when baby comes, and assures a quick and natural recovery for the mother. Mother's Friend is sold at drug stores. Write for our free book, containing valuable information for expectant Mothers.

TWO GAMES

AHEAD OF LEADERS IN BASKET BALL LEAGUE.

Contest Tonight Will Decide What Chance High School Has for Pennant.

Team	Pet.	Win	Lose
C. C. & W.	689	900	800
High school	778	800	700

With two games of importance to the two leading teams in the city basketball league, a large crowd is expected out tonight to see the games. The Chess, Checker and Whist club quintet will play the D. A. D. five, while the High school team will have the Light and Power boys for opponents.

If both the leading teams win their games tonight the percentage column will be unaffected, and High school's only hope of winning the rag will be a defeat of the C. C. and W. team next Tuesday night, which would mean a tie, and then probably a victory in the deciding game. Should the frats win tonight and the school lads win, the High school and C. C. and W. teams would be tied for first place, and the final game of the season next Tuesday night would decide the banner bearers. However, it is dopoed out that both the High school and Chess teams will win tonight and next week the High school team, next Tuesday, will make its final effort to defeat the Chess, Checks, and tie the percentage.

NEW ORDINANCE

AUTOMOBILE OWNERS WISH TO RUN 15 MILES AN HOUR.

Will Appeal to General Council to Increase Speed Limit Inside City.

With Police Judge D. A. Cross, declaration that he will fine every autoist who is arrested and proven guilty of going at a greater rate of speed than eight miles an hour, auto owners and drivers are up in arms over the new ordinance, which was introduced last fall and which proved to be a "sleeper" in the hands of a committee of the general council.

Auto owners say eight miles an hour is merely moving, and, working on this principle they got together last year and presented an ordinance, permitting a speed of 15 miles an hour and restricting the speed to 10 miles in the business center and 6 miles per hour in rounding corners. After the ordinance had been juggedled in the council it was referred to a committee

TAFT MEN GIVEN THE BEST OF IT

STORIES TO CONTRARY FROM LOUISVILLE DISCREDITED.

Senator Bradley Shows By Statistics That Fairbanks Supporters Are Not All In.

ALL TAFT IN FIRST DISTRICT

Louisville, March 18.—(A Washington special to the Herald says:

No little surprise is expressed here in political circles familiar with the situation in Kentucky at the effort that has been made in certain quarters, and chiefly through the columns of the Louisville Evening Post, to make it appear that there has been unfair discrimination against Taft supporters in the appointments to office that have been made at the suggestion of Senator Bradley and Republican congressmen.

Another Grateful Woman.

St. Louis, Mo.—"I was bothered terribly with a female weakness and had backache, bearing down pains and pains in lower parts. I began taking Lydia E. Pinkham's Vegetable Compound regularly and used the Sanative Wash and now I have no more troubles than that way."—Mrs. AL HERZOG, 5722 Prescott Ave., St. Louis, Mo.

Because your case is a difficult one, doctors having done you no good, do not continue to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial. It surely has cured many cases of female ills, such as inflammation, ulceration, discharges, fibroid tumors, irregular periods, periodic pains, backache, that bearing down feeling, indigestion, dizziness, and nervous prostration. It costs but a trifle to try it, and the result is worth millions to many suffering women.

Stirring Up Strife.

He charged that the Post had resorted to misrepresentation of the facts, and was evidently bent upon creating prejudice against the junior senator and stirring up strife in the ranks.

From this man it was learned that Senator Bradley had prepared a careful analysis of the appointments already made, which showed that the Taft supporters in Kentucky had been given the advantage in the distribution of patronage.

On being asked for details, he produced a tabulation of offices for which occupants have been named. It is understood that this statement of the facts has the authority of Senator Bradly behind it.

Taft Men in Office.

It shows that the following Taft men have been appointed to important posts: A. T. Wood, pension agent; L. F. Petty, collector for Fifth district; A. R. Patrick, marshal for eastern district; Sherman Cooper, collector Eighth district.

Lawson Reno and T. A. Field, appointed collectors in the Second and Seventh districts, respectively, were opposed to Taft.

Among the postmasters named, 20 favored the nomination of Mr. Taft. They were appointed to the following places:

Glasgow, Smith's Grove, Adairville, Russellville, Mayfield, Murray, Flemington, Williamson, LaGrange, Frankfort, Mt. Sterling, Hickman, Hodgenville, Greenup, Brooksville, London, Burnside, Monticello, Paintsville, Stamford, Henderson, Shelbyville, Versailles, Leitchfield, Grayson, Earlington, Vanceburg, Lawrenceburg, Campbellsville, Pineville, Morehead, Corbin, Benton and Murray.

This is a scan of a vintage newspaper page from Saturday, March 19, 1910. The page is filled with numerous advertisements and news snippets. At the top left, there's an ad for 'ROOF SPECIALISTS' and another for 'M. B. Paint and Roofing Mfg. Co.'. In the center, 'LIPPINCOTT'S MONTHLY MAGAZINE' is advertised with its 1868-1910 run. To the right, 'IDEAL MEAT MARKET' at 512-514 Broadway is promoted as a 'PALACE TO DO YOUR TRADING'. The page also features a 'PRICE LIST' for various grocery items like flour, sugar, and vegetables. A large central section is dedicated to 'The Evening Sun's Daily Markets' with specific sections for 'Tobacco Market' and 'Stock Market'. There are several local business ads, including 'FIELD SEEDS', 'R. S. BALLOWE REGISTERED PHARMACIST', and 'EXCURSION BULLETIN'. A prominent illustration of a woman in a bathtub is part of an advertisement for 'My Corns Don't Hurt a Bit'. The bottom right corner features a large ad for 'AMERICAN FENCE' made by 'American Steel & Wire Co.'.

BUSINESS MEN ARE OUT WORKING

WILL RETAIN ROOS FACTORY IN THIS CITY.

Laporte, Ind., Offers Flattering Inducements to the Concern to Go There.

HALF THE MONEY SUBSCRIBED

Splendid inducements have been offered by the business men of Laporte, Ind., for the location of the Ed Roos company in the shape of a complete building equipped with machinery, and financial inducements as well. A delegation of business men from Laporte arrived in the city early this morning and presented the offer of the Indiana city for the location of the factory. Mr. Ed Roos will leave early next week for Laporte to investigate, and may decide to accept the proposition unless the bonus of \$10,000 is raised quickly in Paducah.

As a result of the joint meeting of the Retail Merchants' association and the Commercial club last night the committee were busy today calling on the business men, and they met with encouragement. Half of the \$10,000 has been subscribed and from the prospects the remainder will be raised. Mr. Roos was at the meeting last night, and as evidence of his faith placed in writing an agreement that in case the plant was not in operation five years from the date it started, each contributor would have a lien on the property in proportion to the amount contributed.

It was decided that the city should retain the factory if possible, despite the fact that other cities have offered alluring inducements. President James C. Utterback appointed Mohr Michael, Sol Dreyfus, S. A. Fowler, George Goodman, H. A. Lindsey, C. E. Jennings, W. P. Hummel and Wallace Well as a committee to make a canvas among the business men, while J. C. Gilbert and Will Farley were appointed for Mechanicsburg. To act in co-operation with this committee J. L. Wolff, president of the Retail Merchants' association, appointed Charles Weille, H. L. Meyer, Jake Wallerstein, Louis Henneberger, J. L. Wanner and H. C. Rhodes. Members of the committees began work in earnest this morning and were confident of raising the bonus necessary to retain the company.

The gentlemen from Laporte surprised Mr. Roos with the liberality of their offer, and he will investigate it before he even decides to remain in Paducah. The Indiana people offer the building and machinery, so that it would be possible for the company to start work in a few days and resume the filling of the large number of orders on hand when fire completely wiped out the factory here. Should the bonus be raised in the city it would require some time to erect the building and equip it with machinery. Despite the fact that the offer from Laporte was flattering for any company to accept, Paducah business men are sanguine on the city retaining the location.

UNION PACIFIC DOMINATES IT.

Another Omaha Man Comes to Illinois Central at Chicago.

Chicago, March 18.—The opinion that the future of the Illinois Central railroad will be dominated by the Union Pacific interests was strengthened by announcement of the appointment of T. J. Foley as assistant to Vice President Park. Mr. Foley was formerly assistant general superintendent of the Union Pacific at Omaha.

STOMACHS REPAIRED.

Relieves Distress in Five Minutes.

Let Mrs. Griffith tell you about Mi-o-na, the greatest prescription for stomach troubles ever written: "For years I have doctor'd for acute gastritis, but only received slight benefit, and had to be careful what I ate. But, thanks to Mi-o-na stomach tablets, I can now eat anything. Last Christmas, after partaking of a hearty turkey dinner, I was seized with an attack of acute indigestion, and the doctor worked over me for hours before I got relief. He paid me eight visits before I could say I was well enough to sit up. But since then I have taken Mi-o-na tablets, and I have not been troubled since. Before using Mi-o-na I had attacks about every month." Mrs. Ida Griffith, 1213 C. St., Washington, D. C., July 5, 1909.

Mi-o-na stomach tablets are sold by druggists everywhere and at Gilbert's drug store for 50 cents a large box. They are guaranteed to cure indigestion, sour stomach, belching gas, dizziness, biliousness, heaviness, or any stomach ailment.
